Mailing Address:

P.O. Box 171
Brunswick West 3055

Please find following a list of our publications and ISBN numbers.

**CURRENT PUBLICATIONS
(August 2011)**

Note to book distributors:

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY

Postage:

The courier company charges by weight and by distance. Courier costs will be calculated at the time of delivery and added to the price of the invoice. Where possible small book orders will be sent via Australia Post to reduce the cost of mailing.

Small order surcharge:

We do not charge any extra for small orders, however, standard courier / Australia Post costs still apply. Discount of 25% will still apply; postage rates as above will apply.

Turn around time:

Books in stock generally dispatched within 48 - 72 hours of receipt of order.

Book returns:

Books can only be returned if they are **old editions only and an Authority to Return form has been signed by Connie Barnes or Allan Barnes**. Current editions **cannot** be returned as they rarely arrive in a condition under which we can re-sell them. Old editions will be swapped for new editions only.

No credit can be given. Please order accordingly.

Latest editions for workbooks and CD-ROMs will always be sent unless we are specifically notified. As old editions generally relate to old/outdated courses, we do not send old editions as the coursework material will not generally allow students to complete the requirements of the course.

Information on books (picture of cover and units contained in each workbook) will be available on our website (<http://www.aiet.edu.au>, and then select the “publishing” tab) by the end of August.
